Blue Cross Blue Shield FEP Vision Section 1 Eligibility

Family Members

Except with respect to TRICARE-eligible individuals, family members include your spouse and unmarried dependent children under age 22. This includes legally adopted children and recognized natural children who meet certain dependency requirements. This also includes stepchildren and foster children who live with you in a regular parent-child relationship. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support. FEDVIP rules and FEHB rules for family member eligibility are **NOT** the same.

For more information on family member eligibility visit the website at www.opm.gov/healthcare-insurance/dental-vision/ or contact your employing agency or retirement system.

With respect to TRICARE-eligible individuals, family members include your spouse, unremarried widow, unremarried widower, unmarried child, and certain unmarried persons placed in your legal custody by a court. An unremarried former spouse who meets the U.S. Department of Defense's 20-20-20 and/or 20-20-15 benefit eligibility requirements may only enroll in a self-only FEDVIP vision plan. Children include legally adopted children, stepchildren, and pre-adoptive children. Children and dependent unmarried persons must be under age 21 if they are not a student, under age 23 if they are a full-time student, or incapable of self-support because of a mental or physical incapacity.
