

Copayment

Blue Cross Blue Shield FEP Vision Section 4 Your Cost for Covered Services

Copayment

A copayment is a fixed amount of money you pay to the provider when you receive services.

Example: The BCBS FEP Vision High Option and Standard Option plans have a \$0 copay for a vision health exam. However, Standard Option has a \$10 copay for lenses. This copay does not apply to the High Option. Please refer to Section 5 for further details.
